

Buses To Keep Rolling

BRUNSWICK STREET extension, as viewed from quarry property to east, was declared completed by John Bloom, structural engineer, in a letter to city council Monday night. Controversial Brunswick extension,

which connects Wellington and Hildegarde boulevards, has been in progress more than three years and has been marked by land-slides and law suits. Council Monday night set two-hour parking limit on extension, al-

though parking authority had proposed that meters be installed. Question of whether diagonal or parallel parking will be allowed is still a matter of municipal debate.

Adopt Manager Law; No Protest At Meeting

The Town Record By MONTE DAYTON

FRANK LOMBARDI, allegedly involved in everything from seduction of teen-age girls to abortion, is still missing.

His home at 140 School street is up for sale and presumably there is going to be a transfer of interests and a change of name at his garage service on Mission street.

The new Cas'n Ray (formerly Lovchen gardens) was scene of a fire Saturday night.

RAY RUSSO, head barkeep at the new nightery, has been plagued by the blazes. Last year he and his family of seven were burned out of their Broadmoor home.

ENES CIARDELLI, sister of DC Librarian LORRAINE ROLLANDI, was ecstatic all week after being photographed Sunday just a scant foot or two from LIBERACE at his Cow Palace appearance.

She was after an autograph. Although she got close enough to be pictured with the Dimpled One in a metropolitan newspaper, she failed to get his signature.

Librarian Lorraine later revealed she also attended the Cow House Concert, but wasn't quite "as wild."

Did you see the full-page ad in a metropolitan paper Sunday advertising homes in Daly City? Although the builder of these homes is purportedly an active local Chamber of Commerce member, his copy never once mentioned that the subdivision was in Daly City. "10 Minutes from Downtown San Francisco." I believe was the terminology used.

Ordinance creating strong city manager form of government here was adopted Monday night by the city council and will become effective March 30.

There were no protests to the ordinance.

One member of the audience, Bill Sisk, who said he was not a resident of Daly City but "active in affairs here," asked who set up qualifications for a city manager.

Mayor Joseph Verducci replied that the council set up a list of what they thought were important qualifications for a manager. The mayor explained that this was done with the help of the League of California Cities.

Abe Rabinowitch, 269 Wilshire, who two weeks ago threatened the council with recall if they put through manager form of government by ordinance, was not present at the meeting.

Rabinowitch told THE RECORD, however, that he still intends to proceed with a recall movement if the council insists that the new city manager handle all engineering duties. "If the man is an en-

gineer, that's all right," commented Rabinowitch. "But he's got to have someone assisting him with the engineering."

The Westlake resident claims he has 500 persons ready to sign recall papers.

Former mayor Paul Green, linked with the recall group in an earlier story, said, "I'm not identified with any such group." He explained that he had attended a meeting of the citizens committee at their request, but was not at all in accord with the recall element.

In other action Monday night, the council:

1. Awarded contract for supplying pipeline at Westlake water plant to Associated Pipeline for \$12,395, low bid of nine submitted. Engineer's estimate for the pipe was \$15,000.

2. Held over nine bids, ranging from \$17,277 to \$21,118, for installing booster pump at Westlake water plant. Estimate for the job was \$19,070.

3. Passed resolution accepting map of Westlake Unit 8A.

Liqueur . . . ur Checks Bad

Apricot liqueur and Echo Springs Bourbon soaked up the top spots in the police blotter last Friday.

Seems that local merchants cashed checks totaling \$40 for purchasers of the beverages.

Robert Belli, 191 1st avenue, turned in a bad check to Daly City police Friday. Belli, a clerk at 7283 Mission, had obliged a 22-year-old redhead on February 18 by cashing a personal check. Claiming to be Margaret Phalin, the woman signed a check for \$15 in payment of the apricot liqueur and some groceries.

The check, drawn on a Berkeley bank, was returned by the bank. Belli called a Margaret Phalin who claims that an unknown woman had drawn \$300 from her account.

ICE CREAM SNATCH

While Minnie Booth, San Francisco, served customers at an ice cream establishment at 7199 Mission last Friday, someone stole a black tray containing \$30.

Apparently the thief reached over and under the counter, while the owner was busy. Police are investigating.

HONOR BILL BOLGER AT C OF C LUNCHEON

Veteran police sergeant William "Bill" Bolger will be honored by the Daly City Chamber of Commerce at their regular luncheon meeting March 17, St. Patrick's day, at Lake Merced Golf and Country club.

Bolger, after 22 years with the Daly City police force serving variously as officer, acting chief and sergeant, will retire the end of this month.

ROLLING CAR PINS DC WOMAN TO WALL

A 37-year-old Daly City housewife suffered a fractured right leg last Friday night after she was pinned between the wall of her garage and her car when it rolled down the driveway as she closed garage doors.

Mrs. Dorothy Caylar, 160 Vista street, was treated at Junipero Serra hospital. A neighbor answered her screams and pushed the car away.

Reprieve of two and six months, respectively, on the No. 76 and No. 56 bus lines was granted Monday by the San Francisco public utilities commission.

Henry Doelger's proposal to subsidize the No. 76 (Broadmoor-Westlake) for two months, not to exceed \$600 a month, was accepted by the commissioners.

The subsidy proposal, offered by Doelger representatives Jack Kender, was approved by a 4-1 vote. Commissioner Edward Barron opposing.

During the two-months subsidy period it is expected that Doelger will re-route the No. 76 to reduce cost of operation.

James Turner, manager of the PUC, said, "We'll watch the Doelger plan and observe the results. As long as he's paying for it he can run it wherever he wants."

Tentative route change suggested this week by Kender would have the No. 76 start at the tunnel area, travel down Alemany to Westlake, over Dorchester to Southgate, up Southgate to Montrose, over to the Broadmoor area, down 87th street to Washington, and then turn around and make the return trip over the same route.

The No. 56 (Cemeteries) line will be continued for six months on a limited operation. One bus, instead of two, will serve the route. This, said Turner, will cut in half the estimated annual operating loss of \$29,000. He anticipated that the line might even show a profit if passenger traffic does not fall off too sharply. In the event the line does break even or show a profit, it will be continued indefinitely.

Meanwhile, City Administrator Dan Andersen appeared before the state Assembly in Sacramento Tuesday to propose legislation that would allow sixth class cities to levy a special tax for defraying costs of operating transportation. "Somebody's going to have to subsidize transportation sooner or later," Andersen told the council Monday night. If such a law were passed, Daly City could offset San Francisco's losses here by imposing a special levy on the general tax rate.

DC FISCAL PICTURE OK, SAYS AUDITOR

Unless there are unusually high expenditures in the next few months, Daly City will be able to finish the year within its budget, Auditor Herbert Thielmeyer told the city council Monday night.

He said financially Daly City was "coming along nicely." Thielmeyer explained that expenditures may exceed those anticipated in the budget, but increased revenues would offset this.

Englishwoman DOA Af Local Hospital

A 54-year-old Englishwoman visiting here at a local motel was found dead early Tuesday morning by Broadmoor police.

Elizabeth Masters was pronounced dead on arrival at Junipero Serra hospital at 4:30 a.m., one half hour after she suffered a heart attack at a 7500 Mission street motel.

The woman, a widow, was visiting here with her son and daughter, also from England, who reported the attack.

DC ASKS ABATEMENT 96 MISSION CIRCLE

During his life-time, L. V. Roberts, owner of property at 96 Mission Circle, couldn't get along with the city of Daly City.

Roberts, who died last year, still confronts the city with a problem in the form of his estate.

The 96 Mission Circle address was topic of council hearing Monday night. City Building Inspector George Hopman is asking that the two-story wood frame building on Mission Circle be demolished, on grounds that it is "badly deteriorated."

Proceedings involving the Mission Circle building started nearly three years ago. On May 14, 1952, Hopman, Fire Chief Elmer Kennedy and Health Officer Fred Collins made a three-way inspection of

Fact Group Studies City School Rec

A 14-person fact-finding committee studied important facets of joint school-city sponsored recreation at a meeting Wednesday night.

Report was made on assessed valuation of areas which would be affected by a proposed five cent per \$100 valuation school tax for recreation use. Daly City, valued at \$24,182,665, would have a potential of \$12,091 to spend from the five cent tax; Broadmoor, assessed at \$5,499,057, would raise \$2750; Garden Village, with a \$626,266 valuation, could raise \$313, while Lawndale, \$975,429, would have a potential of \$488, and Colma, with a \$192,341 valuation, could raise \$96. No figures were available for Sterling Park.

Discussion was held on who should represent the various areas concerned and have jurisdiction over the money allocated. It was agreed City of Daly City could represent Daly City, while either the county recreation department or the Jefferson Elementary School district could have jurisdiction over money allocated for unincorporated areas lying within the district boundaries.

Third question was what formula to use for disbursement of funds. Two alternatives were given: According to assessed valuation, or by number of persons living in each area.

Everett Heick, representing Broadmoor Youth association, said his group was on record favoring the five cent tax levy. He added that the association was primarily interested in site development, as did Dr. George Warner, representing James L. Snell PTA. Sterling Park's Victor Nobles was in accord with the tax plan and said development of tiny-tract areas most interested his group.

Findings of the committee will be presented to the school board of trustees to determine if they wish to go along with the tax plan and joint use of recreation facilities.

Thieves Net \$863 In D. C. Burglaries

Police are investigating two burglaries last week which netted the thieves a total of \$863.

Joseph Morgan, 170 Vista Grande avenue, told officers last Wednesday that someone had entered his home and stolen clothing valued at \$553. Four suits, numerous shirts and sweaters were included in the take.

Manuela Villa, 694 Templeton, reported the loss of \$310 in jewelry in a single hour's interlude on Thursday. The thief had removed the house key from beneath a door mat and entered.

Her 13-year-old daughter said that she had heard footsteps inside the house when she returned at 4:30 p.m. The key was gone. She went to a neighbor's house seeking her brother. Her brother had been home at 3:30 p.m., but nothing was missed then.

A rear bedroom had been ransacked. The brown clock radio (Continued on Page 2)

MAJOR ADMINISTRATIVE CHANGES AT JEFF HI; WESTMOOR PLANS OK'D

READERS APPLAUD RECORD'S NEW LOOK

Last week readers were presented with a "new look" in THE RECORD. The reactions were instantaneous. Several of them were expressed by phone to the editorial staff. Daly City-zens had this to say about the hometown newspaper:

A general comment was neatly put by Mrs. O. L. McCabe, 1123 Brunswick, "THE RECORD is much easier to read." The increased readability is due to the new type faces.

Mrs. Albert Schmidt, 98 Templeton, has a boy in Colma school. She was interested particularly in the Argus of the school, written by student journalists. "I like local news and the PTA coverage in THE RECORD," she said.

Also impressed by the new types is Mrs. Arnold Melton, 157 E. Vista. "I like the whole paper, specifically the society and PTA articles."

Allan E. Kramer, 232 Willis, declared the modernized paper "worthy of Daly City, just what we need."

Mrs. Charles Derham, 939 Bradley drive, Broadmoor, voiced the opinion of the mothers. "THE RECORD gives me all the neighborhood news, in particular, church, school and society."

"I enjoy the whole paper," Mrs. J. R. Buchanan, 607 Manila Way, declared. She revealed that she always read the classified advertising section thoroughly. Like many observant readers, Mrs. Buchanan knows she can find many bargains and services in THE RECORD class ads.

Mrs. William L. Kelly, 468 Bellevue, found some interesting reading in the new features. She chose the TV tidbits, and Records in the Past. Mrs. Kelly, Letters to the Editor, she also intends to try the recipes from the new cooking column.

Mrs. A. Liberti, 44 Winchester, dropped into the office at 3317 San Jose avenue and described the new look as "attractive."

TRASH CANS TO "SING" PRAISES OF LOCAL MERCHANTS

"Eat at Joe's" or some such appeal may be blazoned across the side of trash cans all over town in the near future.

City council Monday night entered into an agreement with Was Emerson for installing at least 12 trash cans throughout the city.

Emerson will install and maintain the receptacles free of charge, his only revenue coming from the sale of advertising space on the refuse cans.

Local merchants will be given first option to advertise on the cans, Emerson said.

The city's contract with Emerson will be in effect three years.

Hillside Group To Install New Officers

Hillside Homeowners Improvement association will install six new officers Monday at 8 p.m. in the multi-purpose room of Colma school.

Taking over as president will be Don Leshner. Other officers to be installed include: Mrs. Helen LeCompte, vice president; Mrs. A. Vercelli, treasurer; Mrs. J. Winters, recording secretary; and J. Wolorinta, sergeant at arms. Judge Thomas L. Bocci Jr. of the municipal court will officiate at the installation rites.

The Hillside improvement group, just recently organized, states its purpose as "better living in east Daly City." Meetings are held on the seventh of each Monday at Colma school.

Leshner invited those interested in becoming members to contact him at PL 5-6349, or Stark, PL 6-2335.

DIRECTORS PASS SEWAGE MEASURES

Sewage measures in Broadmoor and Westlake were expedited at Monday's meeting of the board of directors of the local sanitation district.

The board ordered investigation of reports of bad sewage conditions at 739 Thornhill, Broadmoor, and El Portal way, Westlake.

They were informed of raw sewage hazards in Westlake by Hartley Appleton, 1 El Portal Way. Appleton's son fell in the open sewage pit recently. The Westlake attorney initiated action to end the dangerous condition.

Wednesday, Appleton was involved in an argument with a workman at the unsanitary area. He maintains the workman used uncivil words and actions to answer his parental-based concern over the condition. Appleton declared his intention to file suit over the matter.

In other business, Westlake No. 8 sewer map and a concrete garage floor at the disposal plant were approved. The directors heard a \$35 estimate for a tool box for the district's pick-up truck. A work order was issued for the connection of electricity at Westlake (Continued on Page 2)

Ross Holds Secret Session With Council

City Clerk B. C. Ross Monday night met in caucus session with Auditor Herbert Thielmeyer and the city council.

Ross requested the secret session to discuss what he termed a personnel matter. Under the Brown act, passed last year by the state legislature, only on matters involving personnel may the press be barred.

Mayor Joseph Verducci asked if Ross would allow the press to be on hand and give their "gentleman's agreement" not to print the transactions. Ross answered, "I don't believe in these gentlemen's agreements."

DONATE BLOOD

Six Daly City residents recently donated blood to the Peninsula Memorial Blood Bank. They are: Mrs. Norman A. Brown, 463 Niantic; Kenneth Warren, Colma; Wallace J. Reid, Mrs. Ethel B. Hahn, Ernest Spitzer and Joseph C. Lo Presti, 456 Abbott avenue.

Water Rate Set, Hike City Faces 50 Pct. Hike

Daly City water rates for service outside the city limits will soon be increased 50 per cent.

City council Monday night instructed their attorney, Frank Blum, to draw up an ordinance setting water rates outside the city at 50 per cent higher than the city charge.

Major administrative changes and final plans for Westmoor High school were the top issues approved by the Jefferson High school board of trustees Monday night. Four top brass positions at the local school were announced. The board also reported the latest activities in the new Westmoor High school and its administration.

Effective July 1, Vice-principal John Mongan will take over the job of Jefferson principal. Glenn E. South, dean of boys, will be the new vice principal during the fall semester and be installed as Westmoor's principal the second semester.

Miss Hildegarde Seidel, German and social studies teacher, will serve as assistant dean of girls at the first semester. The second semester she will take over as Westmoor dean of girls. Miss Seidel will counsel Jeff-to-Westmoor girl transfers, in addition to eighth graders entering the new school. John J. Ivan, chemistry and visual aids instructor, will become the dean of boys at Jeff.

Westmoor Plans
The board ok'd final plans for Westmoor Monday night. The plans will be forwarded to the state division of architecture in Sacramento. Approval by the division is expected by June.

At the present, an architect is drawing up specifications for the grading contract for Westmoor site. Advertising for bids will be held soon, according to Stanford Hannah, superintendent.

Sell \$208,000 Bonds
The Trustees passed a resolution to sell \$208,000 in bonds to finance the grading and architectural costs of Westmoor.

It was announced at the meeting that the Westmoor site has been annexed to the North San Mateo county sanitation district.

Architect John Kruse presented the second preliminary floor plan for the new district office. The building, designated for the northeast corner of the Jefferson property, will house the offices of the district superintendent, bookkeeper, and building and grounds superintendent.

From the county superintendent comes the news that Jeff will receive \$8691 from the state apportionment fund for the first quarter of this year. The estimated total is \$19,890.

DALY CITY POLICE TAG TWO MOTORISTS

A milk truck driver and a San Francisco motorist were cited by Daly City police over the weekend. Settling Pictorosi of Millbrae was cited Saturday after his car hit a vehicle operated by Salvatore Turturnici of S.F. at the Alemany and Park Plaza intersection.

Arthur Martinez, milk truck driver, was tagged after his truck swerved out of control into a dirt bank on coast highway near Skyline. Martinez told an officer that he was driving from Sharp Park to San Francisco when he was blinded by on-coming traffic. His truck swerved right, the wheels skidded on a soft shoulder. He suffered minor injuries when the vehicle struck the bank.

LAUNCH \$90,000 JOB UNDERGROUND WIRES

An ordinance requiring public utilities to remove all overhead power lines and place them underground was introduced at Monday night's council meeting.

The legislation calls for removal of lines on Mission street between Theta and Crocker avenues and on San Jose avenue from Shakespeare street to the Mission intersection. The project, which will cost the PG&E an estimated \$90,000, is part of a long-term program to get all overhead lines removed.

City Administrator Dan Ander-

sen, who said he had worked with the PG&E nearly two years on the proposal, pointed out that undergrounding of the lines would make for clear vision on Mission street and would eliminate danger of personal injury resulting from power lines falling in the street.

Merchants whose property fronts on the area affected will be assessed a small amount to help finance the project, Andersen said.

The ordinance was introduced by Councilman Micheal De Bernardi.

Medical Secretary Convention Opens

The Medical Secretaries' Professional and Student organizations have selected March 3, 4, and 5 as the dates for their convention to be held at the Marina Adult school, 3400 Fillmore street, San Francisco.

The program will get under way with a theater party tomorrow (Thursday) and Friday. Delegates and visitors are invited to visit places of interest in the Bay Area.

On Friday evening, the convention program will be presented at the Marina Adult school with the showing of two films, "Narcosis," a portrayal of facts on one of the leading medical, educational, and social problems of the present day; and the British Ministry of Health release "Cancer of the Breast."

Mr. Walter R. Creighton, Chief of the California Bureau of Narcotic Enforcement, will lecture on the subject of narcotics. Mrs. Mary Truxa Lapin, instructor of personal development, will present a timely lecture on the topic "Wanted — A Well-groomed, Attractive Secretary."

The program will also feature a professional panel discussion on the subject "The Contribution of Formal Training to the Modern Medical Secretary," presenting the viewpoints of the physician, the educator, the medical secretary, and the trainee.

Vocal selections from Victor Herbert's "Fortune Teller" by Miss Patricia Marr's Operetta Workshop group will be one of the highlights of the evening. Professional and commercial exhibits will be on display throughout the afternoon and evening of March 4.

On Saturday delegates and visitors will be invited to attend a conducted tour of local hospitals. The convention will close on Saturday evening with a dinner at San Remo's.

MAKE FINAL PLANS FOR DALY CITY RED CROSS DRIVE

Final arrangements for today, the one day membership-fund drive of the San Mateo county chapter of the American Red Cross have been completed.

Several traveling entertainment units will be on hand at the stands, including a singing quartette and soloists with accordion accompaniment—the finale will be colorful and musical.

The tabulating stand, center of activity for Daly City, will be located at the city hall. An 8-foot thermometer to record progress toward the local quota of \$2100 is ready to run up the score, according to Charles Becker, local director. "As a public service," Becker said, "KGO-TV will feature reports all day Saturday on progress of the drive and will honor leaders from three winning cities, one from each of three divisions, which is the first to make its quota. Westlake Group Serves 6 Couples With Summons

Six couples were served with summons during the past week as the first step in the Westlake Improvement association's legal fight to enforce payment of delinquent dues and assessments.

Identical complaints were filed in Judge Thomas L. Bocci's municipal court by the association. They ask \$28 from each of the six defendants for four years' delinquent dues in addition to \$150 each for court fees.

According to the complaint, the homeowners "agreed to assume the obligations" when they purchased their homes in Westlake. According to J. W. Jackson, the association's attorney, the defendants accepted in writing (in signing deed for their property) the agreement to pay yearly dues and assessments.

Summons were served on the following: Mr. and Mrs. Sidney Sharlip, 30 Sheffield drive; Mr. and Mrs. Frank H. Groom, 107 Lake Vista avenue; Mr. and Mrs. E. C. McAlpen, 19 Cliffside drive; Mr. and Mrs. Richard Opperman, 195 South Mayfair; and Mr. and Mrs. Clyde Doern, 2 Belmont drive.

If the defendants fail to answer the summons within 10 days after service, the court may make a default judgment in favor of the association. One of the homeowners, Opperman, has already filed an answer, denying all claims of the association. No date for trial has been called for, however.

The Oppermans claimed they tried last week to pay the association the \$28 but were refused. Attorney Jackson says delinquent homeowners will be allowed to settle out of court if they pay \$50 legal fees in addition to the \$28.

Mrs. Opperman commented, "What kind of a communist organization are they running in Westlake when you can't even get out of it when you want to?"

The association decided to resort to legal action last year to obtain delinquent dues and assessments after other methods failed.

Results of the pending suit will establish a precedent. If the association wins its case, it will be able to enforce payment from several hundred other Westlakers behind in their dues and assessments. Names of the six defendants were drawn from a hat last year by the association.

As a result, the polio fund is \$52 richer. Jay F. Irick, March of Dimes chairman for the Westlake business district, reported that the container at the paint shop held \$26. Steed promptly wrote out a check for the fund campaign, duplicating that amount.

Br-r-r-r! was this a California winter?

Colder-than-usual weather has meant higher-than-usual heating costs. If you've been puzzled about this... here is your answer:

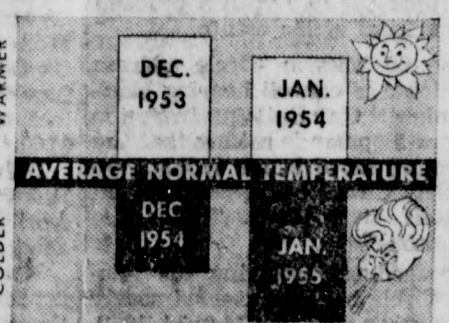

No wonder everyone's been talking about the weather this winter. It's been just plain cold around here—matter of fact, one of the coldest winters in recent years. Remember that long string of chilly days in December and January—six shivery weeks, right around the clock.

Naturally, with weather like this, it took more heat to keep most houses warm. P. G. and E. delivered nearly as much natural gas to homes this December and January—in just two months—as in the three months of November, December and January a year ago. That's how much difference a prolonged cold spell can make. (Most homes need more electric lighting this time of year, too... because of the short, darker days.)

So if you check your bills for this December and January and find your heating costs are higher than last year, it's almost entirely because of colder-than-usual weather... and the

fact that most California homes aren't built for it. (For example, those big picture windows we Californians like so much let in almost as much chill as sunlight. And most homes aren't sufficiently insulated, either.) But maybe there's one good thing about a winter like this after all: It's sure going to make spring seem extra nice, isn't it?

This chart tells the story: It's certainly not your imagination that this winter has been colder than last. The bars below show how much above normal the average temperature was last winter, and how much below it's been this year.

MOUNTIES HAVE NOTHING ON DC OFFICER

Like the Canadian mounties, the Daly City police always get their man, or woman in this case. It began Tuesday, February 1, when a Crestwood drive resident turned in a battered suitcase pockmarked with travel stickers from Europe. For days the suitcase stood against the police station wall.

Through identification in the bag, officer John Walsh learned the owner's name — Marilyn

Juncker. He traced her through various San Francisco real estate offices as she hunted for an apartment. No luck. The daily question was, "Where is Marilyn?"

Still the suitcase sat there with stickers from Denmark, Switzerland, London, Paris, Nice, Rome, Sorrento and Florence.

Walsh made six calls on Washington's birthday, tracking Marilyn. Finally at 2:51 p.m. Friday, February 25 contact was made. Marilyn and her suitcase have since been united.

ON MAINTAINING MUNI SERVICE

It is with an editorial sigh of relief we take the news that San Francisco has forestalled action to terminate services on their No. 76 and No. 56 buses in this area.

During the two-month "reprieve" granted on the No. 76 and the six-months trial on the No. 56, the city of Daly City and Henry Doelger, who is to subsidize the No. 76, should be able to work out a solution to the transit problem without calling in outside lines.

If the bill presented to the legislature Tuesday passes, cities of the sixth class will be allowed to subsidize bus companies operating in the red.

Even if the two bus lines servicing the local area continue to lose money, abandonment is not imminent because the city would be able to reimburse San Francisco for their losses, which probably would be only microscopic.

If a profitable schedule is worked out for the two lines, it may not cost the city a thing.

At any rate, maintaining muni service is better than buying a "pig in a poke" in the form of unknown, untried outside transportation.

LIBRARY HAS SOMETHING FOR YOU

"Your library Has Something for You," is the apt theme of this year's celebration of California Library Week, March 6 to 12.

Purpose of the week is to inform citizens of the help and resources available at their library and to encourage them to make use of these services.

The fact that Daly City's library facilities are inadequate makes it all the more important that this community's citizens sit up and take notice of "Library Week."

It is particularly appropriate that "Library Week" should come at a time when Daly City is in the midst of a movement to expand its library program.

Visit your public library next week and put your weight behind the efforts to re-vitalize Daly City's library program.

LETTERS TO THE EDITOR

SAILOR SAYS THANKS

Dear Sir:
I am writing this letter to express my deepest sincerity in saying that I have appreciated you sending, and looked forward to receiving every copy of THE RECORD.
As you can see by my address I am a great distance from home, and any news from home is good

news. I am due to be released from active duty on March 11 and desire to have the service distributed to me discontinued.

Again thank you for the prompt and regular mailing to me at my various duty stations. I remain

Very respectfully,
William B. Ritter

RECORDS IN THE PAST

FIVE YEARS AGO

Rumors were flying in January that the No. 14 bus to Colma would be discontinued. They were merely rumors. Seems they started when a Muni official attempted to cut down expenses by curtailing certain bus lines. Sound familiar?

Chickens were selling at 39c a pound; Early Times cost \$4.39 a 5th.

Things were going hot and heavy at the city council meeting. City man Mel Battye threw "a verbal bombshell" when he demanded the creation of a city administrative post.

Betty Hutton and Victor Mature were the stars of the feature presentation at the Daly City Theater—"Red, Hot and Blue."

FIFTEEN YEARS AGO

January 10—President Roosevelt, Vice President Garner, and Postmaster General Jim Farley sat down to a \$100 a plate dinner to celebrate Andrew Jackson Day.

January 17—Charles Laughton and Maureen O'Hara star in

"Jamaica Inn." (This has been on TV for the last few years.)

During National Thrift Week, Daly City residents could buy renovated mattresses for \$2. Also the Samoa Restaurant advertised an 8-course dinner for 55c.

January 24—Art Linkletter addressed Jefferson High students on "Radio and History" this week.

TWENTY-FIVE YEARS AGO

A bone specialist wrote finis to the career of Jack Delaney, retired light-heavyweight of the world. Delaney was warned that an old arm injury would cause him to be crippled for life if he donned boxing gloves again.

Tenderloin steaks? Thirty cents a pound, same as prime rib roasts. How about spare ribs? 27½ cents a pound. For the budget-minded housewife, corned beef at 12½ cents a pound. This WAS 25 years ago.

Speaking of corned beef, there was a colleen playing at the movie house. Colleen Moore, singing and dancing in her first Vitaphone attraction "Smiling Irish Eyes."

MGM'S JUPITER... WET SATIRE

By Gloria Lorenzo

MGM takes a bit of Roman history based on a play, adds music and water and there you have "Jupiter's Darling" starring Esther Williams and Howard Keel. Marge and Gower Champion dance and sing while Esther dries off.

The farce opens with a note saying Hannibal crossed the Alps and was marching on Rome around 290 B.C. "The history of this march has always been confused. This picture will do nothing to clear it up." Metro fulfills its promise in a fun-filled 90 minutes.

Miss Williams, a star of the watery category, is cast as a sort of wet Scherezade. She drives her chariot as if she were on a Roman boulevard, swims in a pool, swims in a stream, and swims in the Mare Nostrum of the Romans.

Her two best scenes are built around an underwater ballet with statues that come to life and a chase take in the Mediterranean.

The statue shots are nicely done, the only drawback was a bit of warbling that preceded and ended them. The chase is MGM's answer to Underwater and 20,000 Leagues Under the Sea. A vague answer. After 45 seconds I felt water-logged.

All in all, this is Miss Williams' best effort to date. She was greatly aided by a top supporting cast headed by Howard Keel.

For Keel's role, Metro sent out a few hundred leopard skins to be drycleaned, borrowed some footage from other "spectacles," dusted off left-over sets and gave him one good and a few minor songs.

Since the trend in Hollywood is names—Metro asked Robert Sherwood if they could base the screenplay on his play "Road to Rome." In the picture, that was used as the title song.

George Sanders played the henpecked dictator of Rome and fiancé to Miss Williams. Sanders spends most of his scenes saluting and saying Yes, Mother.

Marge Champion is a slave with a yen for Hannibal's elephant boy Gower Champion. Their two outstanding dance routines occur in a Roman market and in the elephant quarters. For the "spectacle" angle MGM hired some dancing pachyderms and painted them in pastels.

History? Well, it's in there, but the studio doesn't expect the audience to look for it. "Jupiter's Darling" is recommended for the whole family. Oh, yes, the choreography was by a Hermes Pan...?

My Mad World

By Leonore Brewer

It's a long way from a Bach Prelude to "Yankee Doodle" as Gershwin might have written it, but Ernest and Miles Mauney bridge the distance with vivacity and wit to charm a large appreciative audience at the second concert of the Vista Grande Community Concert association Monday at the Jefferson High auditorium.

The twin duo-pianists played an exceptionally well-balanced program, each group of selections building toward a brilliant climax, somewhat in the manner of Italian opera which can seldom resist the temptation to bring down the curtain with a tremendous burst of sound.

Lives In Memories

Of the first group, "Duetto Concertante" by Mozart-Busoni was the most interesting. Busoni, a distinguished pianist and composer who undoubtedly lives on in the memories of some of the older members of Monday's audience, worked up one of Mozart's themes into a spectacular showpiece for two pianos. Busoni was a technician of extraordinary power and his compositions are a challenge to the performer. The Mauneys met this challenge with facility and sparkle. Weber's "Perpetual Motion" closed this group. This is one of those whirlwind pieces that worry a listener. Will the pianist and his music come out even? We are happy to report that the Mauney Twins came out even, right down to the last note.

The second cluster of selections closed with the Polka and Fugue from "Schwanda, the Bagpiper." This hearty work is more familiar in its orchestral form and this was our first experience with it in a piano arrangement. The Mauney's attacked it with vigor and as the piece soared to its climax, we murmured to our neighbor, "Too much bass." This is one of those obscure jokes in which we take such fiendish delight. Clue: Ask your nearest hi-fi addict.

Debussy's "Prelude to Afternoon of a Faun" was played with a quiet voluptuousness that served to emphasize the riotous activity that followed in Ravel's "La Valse." We found the latter to be the most disappointing selection of the evening. Just too much activity.

Light & Frothy

The Mauney's final group was extremely light and frothy, topped off with a dash of Viennese whipped cream called Airs from "Die Fledermaus." Where did "Yankee Doodle" come in? In encores. Twice. Once would have been more than enough. Twice was too much.

An so on to next week's activities, with a concert of the viola as a solo instrument heading the list. There was a time when the viola was thought of chiefly for its role in orchestral and chamber

music, but thanks to the artistry of William Primrose many a concert-goer has been persuaded that the viola also deserves a place with the violin and cello as a solo instrument. Accompanied by David Stimer at the piano, William Primrose will give a recital at the Opera House on Tuesday evening, March 8.

Somebody once said that when good Americans die they go to Paris. Well, such extreme measures aren't necessary, as Paris has sent something of her essence in the person of Edith Piaf, opening March 7 at the Geary for a limited two week engagement.

Safety News

Here's What We Can Do.

"What can I do about traffic accidents?"

A lot of people—concerned about a traffic situation that resulted in 38,300 deaths in 1953—are asking that question.

But many ask us if they expected the answer to be, "nothing."

They're dead wrong. The answer is, "Plenty." And the current program which the Daly City Police department and the National Safety Council are conducting spells it out. Know and obey traffic laws.

Maybe you think that's a little far fetched—that knowing and obeying traffic laws won't make much of a dent in the annual traffic toll.

If that's what you think, read the following sentence carefully. In 1953, 62 per cent of the drivers involved in fatal traffic accidents were violating a traffic law at the time of the accident. Doesn't this fact definitely establish the relationship between traffic accidents and law breaking?

We don't say that none of these drivers would have accidents if they had not violated the law. But it's safe to assume that a substantial number of accidents in which they were involved would never have occurred if the drivers had been observing the law.

This is the basis for our suggestion that a knowledge of and respect for traffic laws will bring about a partial solution of our traffic accident problem.

It's a simple solution.

All it calls for is a willingness on the part of every driver to accept his responsibility to protect himself and everyone he meets in traffic. If every driver familiarizes himself with local traffic laws and obeys them at all times, we'll be well on the way to linking our traffic accident problem.

WORKMEN CONTINUE tearing down one of Daly City's landmarks of five decades. This "ole house" was located at 128

Miriam street. It was one of the first houses moved here following the San Francisco fire and earthquake. Workmen from the

Dolan Building Supply company are Frank Obregon (left) and Wilson Brown. THE RECORD photo

The current rage in outdoor cooking equipment is the American adaptation of the Japanese "Hibachi." If you haven't seen one, it is merely a small sized, brazier type barbecue. It's a nice gadget, but I do not believe it compares with the new Skotch Grill.

The Skotch Grill is cheap to buy and cheap to use. It is the easiest barbecue I have ever seen to start a fire in, and in the event you are going on a picnic, you carry the charcoal in the firepot and fire the cooker up when you reach the picnic grounds.

The Skotch Grill is perfect for a family of four, and if you are entertaining a crowd you can cook your appetizers on it.

One dish I had great success with is:

Shish-Kebab
2 lbs. lamb shoulder cut into 2-inch cubes
½ cup olive oil
1 cup red wine
1 clove garlic, finely chopped
1½ tsp. oregano
1 tsp. salt

Make a sauce with all of the above ingredients and marinate the meat for 24 hours, preferably 48 hours.

On a skewer alternate cubes of the lamb with onion slices, green pepper slices and quarters of tomato. Brush with a little of the marinade and broil over hot coals until nicely browned.

Shrimp-Kebabs
1½ lbs. large shrimp, cleaned
½ cup olive oil
1 garlic clove, chopped
¼ cup parsley
1 tsp. salt and pepper
1 tsp. tarragon vinegar

Marinate the shrimp for 4-6 hours then arrange on skewers, and broil for about 5 minutes or until they are pink and tender.

Charcoal Broiled Chicken
1 2-lb. broiler, cut in half
½ cup margarine
1 tsp. paprika
1 tsp. parsley
1 tsp. salt
1 tsp. pepper

Prepare a paste with the margarine and the other ingredients, and brush the bone side of the chicken with this paste. Also stuff some of the paste under the skin of the chicken and place the halves on the grill, bone side down and grill for about 13 minutes, or until nicely browned. Brush the skin side with a little more of the paste and turn the chicken, skin side to the coals, and continue to broil 'til done.

Barbecued Spargirbs
2 lbs. spareribs
1 onion dotted with cloves
1 clove garlic
bay leaf salt

Put the ribs in a pot, cover with water and add all of the other ingredients. Bring to a boil, lower the heat and simmer for about 45 minutes—until not quite done. Remove to a pan and cool.

Next prepare this sauce:

Barbecue Sauce
½ cup soy sauce
1 garlic clove grated

LANDMARK BITES DUST; RESIDENT REMEMBERS PAST

Another Daly City landmark bit the dust recently. One of the first houses in this area was torn down last week at 128 Miriam street. It was moved here almost half a century ago.

Back in the days following the San Francisco earthquake and fire, hundreds of refugees came to Daly City, throwing up myriads of tents. Mrs. Frances Stanley, deceased, was the first owner of the 128 Miriam house. At that time the only other resident on the block was Mrs. Mary Baldwin, 136 Miriam, now deceased.

The house could be seen peeping over the acres of cow and goat pastures of "Vista Grande," as Daly City was then called. An early resident, Mrs. Lucy Westaway, 129 Miriam, recalls the dutched trees that formerly dotted the land.

Edwin Michelsen, present owner, ordered the house torn down when modern renovating costs were found to be prohibitive. His mother, Christine Michelsen moved down the street as the workmen were called in. Mrs. Michelsen also is one of the first citizens to take up residence here

following the S. F. earthquake. Mrs. Westaway came to Daly City in 1915 from Ryde, Australia. She lived in the 128 Miriam house until 1929. She reminisced on the vegetable gardens of yesteryear and the old San Mateo public cars. The almost-legendary Ocean Shore Railroad made daily stops in San Francisco, Onondaga and Daly City on its coast run.

These were the days when the county seat citizens still called the persons from Daly City "sand hillers." The nicknames and now the six-room one story house on Miriam are both gone.

SM County News Briefs

BURGLARY SOLVED

With only a sucker wrapper as a clue, San Mateo police solved a daring burglary last week at the county health and welfare building.

The theft was reported by director Harold D. Chope. Dr. Chope said the burglars apparently entered through a pried-open window. They jimmied a locked file and escaped with \$200 in cash, a cigarette lighter and a pocket knife.

The only clue was the sucker wrapper. In this case, it was enough. Someone remembered a 12-year-old boy hanging around the place. At his home, officers found the pocket knife. The youngster confessed and named a confederate of the same age.

The loot? The boys had divided it up and buried it in small amounts in various places.

At the last report, officers had unearthed about \$100. They may still be digging. Both youngsters spent the night at the Hillcrest Juvenile Home.

NEW JUNIOR COLLEGE

College trustee Jorgen Johansen of San Bruno declared "the trend very likely in the future would require location of colleges in the north as well as south end of San Mateo county." The comment was based on the recent recommendation for establishment of a South San Francisco Junior college.

The proposed JC was among 11 recommended to a committee of the state legislature last week. San Bruno immediately put in a bid for the college as being more centrally located.

Dr. Elon Hildreth, president of the College of San Mateo, declared that there is an increasing need

½ cup white wine
½ cup honey
3 tsp. grated ginger (fresh preferably)
Brush the ribs with this mixture and let them stand another hour, then broil the ribs about 20 minutes over coals brushing once or twice with the sauce.

for establishment of a second junior college in San Mateo county's Sequoia district rather than in South San Francisco. The opinion was put forth following the South City area being recommended by an educational group to the state legislature.

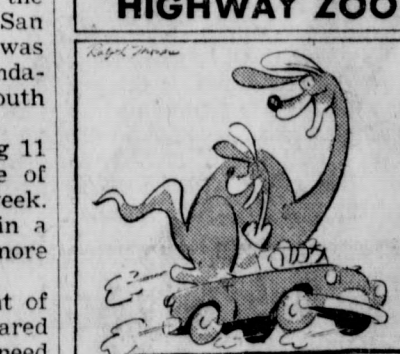

Hildreth based his declaration on the attendance figures and assessment totals which he claims backs up his supposition. He maintains that South City cannot provide revenue to finance the proposed college.

STRENGTH FOR THESE DAYS
from The Bible

When thou doest thine alms, do not sound a trumpet before thee.—(Matthew 6, 2.)

When you do a good turn for someone and then, to satisfy your vanity, inform him about it, you have done more harm than good, because you have injured his self respect. Kindness done without thought of reward is in the spirit of Our Lord.

HIGHWAY ZOO

The KANGAROO

This is the jumpy jerk who drives by leaps and bounds—from one stop to another. At the first faint glint of green at a stop light—whoo! He's off like a rocket! This bouncer, like the real kangaroo, sometimes carries his young with him. The kid in the pouch is safer!

NATIONAL SAFETY COUNCIL

Village Notes

By Gwin Mitchell

Joanne Cross and Virginia Bell were phoning at odd hours recently, issuing invitations to their Come-As-You-Are breakfast, and trying to make sure that none of the guests knew just when the phone calls were likely to come! Cleo Chesney, Katie Flanagan, Ruth Baker, Claire Aves, Helen Tagel, Dorothy McElroy, Jean Wittala, Grace Marconi and Frances Auere presented quite an assorted appearance when they all met at Joanne's 87th Street home.

Don't worry—there's nothing wrong with your eyesight if you should see two identical station wagons parked together on Larchmont. . . Seems the Glaske and Kostevitch families like the same wood paneling and blue paint on their cars!

Claire Vocke says she is beginning to feel like her old self again after too long a time of not being up to snuff, which makes a lot of her friends feel glad, including us. Let's hope she keeps feeling fine from now on.

Wasn't too long ago that we used to see Ricky Centanni being pushed up and down our street in his walker—and now he is all of 6 years old, having officially celebrated with a birthday party to which Clifford Box, Linda and Susan Swanson, Dickie Esposto, Mona Doyle, Allen and Nina Vignano and Mary Jean, Rita and Paul Glischnski were all invited. Guess time is still in a hurry!

Katie Flanagan, who will soon be a Westlaker (maybe by the time this comes out), had a Stanley party as a sort of Last Thing To Do in her Washington Street home. We've heard that Katie is hospitable, and the guest list proves it! Sharing the fun were Bernice Ramon, Ann McCarthy, Gale Foster, Kay Logan, Maude Flanagan, Sherry Dane, Peggy Garcia, Evelyn Palten, Shirley Beltencourt, Betty Kass, Doris Johnson, Laura Hammond, Alice Mallinson, Marguerite Wallace, Earlene Daniels, Mary Torre, Dolores Marcove, Margaret Hughes, Germaine Reynolds, Norma Peters, Helen Avanzo, Ray Farris and Jean Wittala. Lillian Redemer was the demonstrator.

Compass Points: Gilman Drive had quite a few travelers coming and going lately. The Clarry Ottosens took a week to drive up to Vancouver, Washington and back, with a chance to show daughter Cindy plenty of snow. They said the scenery was beautiful but the weather was kind of chilly! And then there were the Paul Elliotts, who were down yonder in Los Angeles for a while. Doris and son Steve went down to join Paul during the last week of a business trip, and found nice warm weather waiting for them. It was a leisurely jaunt all around, with time for visiting Griffith Park Zoo, Mt. Wilson observatory and Huntington Memorial Library. Doris said there wasn't a movie star in sight anywhere, not even at the Farmer's Market which is supposed to be The Place to see them! And home from the farthest compass point is Cliff Warner, who just got back from an inspection trip to Korea and Japan. What impressed him most was the happiness of the Korean children, in spite of cold and poverty. They have no toys except what their fathers make for them, but they are as pleased with these as our children are with any of the toys we can buy in the stores. Another thing Cliff noticed was the number of nice schools which the Marines have built, which has helped considerably in solving some of the many problems Korea still must work out. Although the boys wear uniforms to school, the little girls are gay in bright dresses.

There couldn't be anybody happier in either Village than Mrs. Robert Karm of Wildwood. In case you don't know, she's the lucky gal who won the mink stole at the Fashion Luncheon given by Our Lady of Mercy Church of Westlake a couple of weeks ago. With four children, one of them a small baby, she says there probably won't be too many occasions to wear it, but she is going to make the most of every opportunity! Daughter Marilyn, 14, will be keeping her eye on it for dances before too many years!

Two of the most expected babies the Villages ever had have put in an appearance! Joyce Lyn Richardson, 6 lbs. 11 oz., picked February 23 as her birthday; proud father Howard says he thinks she will be a blonde. And Michele Marie Green waited until February 25 to bring 8 lbs. 5 oz. of baby girl to parents Larry and Gert; it's a sure thing that sister Meredith is just about the happiest child in the community!

Vivian Leech and her cousin, Doris Pearlman of San Carlos, have what we think is a very nice arrangement! They treat each other to lunch on their birthdays, and Vivian took Doris to Ramon Oaks in Atherton recently for her share of the festivities. Vivian will have her turn in June. Both of the cousins have two children, so it is rather nice to get out of doing family-size dish washing for a while!

Dr. and Mrs. Ed Hughes and sons Kenny and Bobby came over from Berkeley the other night to be dinner guests of Ruth and Trevor Jones on Foothill, and everybody had quite an enjoyable evening all around. While we have Ruth under the typewriter's fingertips, here's an idea for parents with children in the 6 and up age bracket, who get restless over holidays. Ruth, Mabs Guz and Vivian Leech took Lynn and Jimmy Jones, Cathy and Debby Leech, George and Eddie Muller and Claudia, John and Vicki Guz on a hike over the hills to the beach where they had a hot dog lunch, cooked over an open fire. Quite a time was had by everybody, especially those who went wading in spite of the frosty morning! Hear tell there were some sore leg muscles around Foothill Drive that PM!

The Sick List has been varied lately, and much too long for comfort. We hope particularly that Tommy Cheskey is all right, after having to spend some time in Mary's Help Hospital with a bruised kidney...seems that he and his friends were wrestling a little too hard. And John Rizzo had to go and get measles from sister Jan, while Linda Swanson couldn't let sister Susan be the only one to get chicken pox in their house...a fine thing! By this time, they ought to be out and about again, along with Cindy Krueger, who had chicken pox too.

Six years old is a popular age for having birthday parties, so Mary Wormouth had one over on Louvaine, with a cowboy theme. Guests rounded up for treats from the chuck wagon were Bob Bjorkquist, Ricky Cantert, John Rizzo, Tommy Cheskey, Steve and Janice Mackintosh and sister Patty. Two of Mary's uncles were kept busy all afternoon getting airplanes given as favors to the guests, down out of trees and off roofs! Busy day!

Guest List: Addie Mattison is currently entertaining her father, Mr. John Hundley, who came down from Redlands to visit on Sweetwood Drive a while and see his new grandchild, a nice occasion for a trip if ever there was one!

If the saying that guests with good appetites are a compliment to the cook, then Hazel Eagleton and Stella Magoon are two of the most complimented people around. They cooked a ham dinner for 120 people (George Washington's birthday celebration put on by the VFW Auxiliary), and the stack of empty plates was testimonial enough to their prowess with the cooking pots! Warning—don't mention the words "cooking" and "stove" to either of them for quite a while!

Skater's Waltz Note: Some 33 members of the Westminster Fellowship of the Broadmoor Presbyterian Church went ice skating at Sutor's February 21. Our hat goes off to Mrs. Impeatrice, who stayed and skated with the highschoolers until the last minute—a busy evening, for sure!

Out-of-Towners: The LePine family, who left Washington Street on mass and split up en route, with Dolly and Janet visiting Dolly's family in Sacramento, and John and John Jr. going on to Yuba City to see the senior LePines...And then there were the William Sprys from 87th Street and the Jack Parkers from Stewart Avenue, who went thataway to Pinerest for the snow for a recent Sunday outing, where they celebrated Marion Spry's birthday with some fast toboggan rides down some long hills!

A young lady reached the magic age of 12 lately—Shirley Smotherman, who had a dinner party celebration. Janet LePine, Karen Brehm, Barbara Golladay, Monika Smith, Judy del Zompo, Suzanna and Janet Holland, Tommy McHugh, Dixie Howell, Jack Walsh, Paul Hanley, Jan Molke and sister Adelia Smotherman were the guests who came to make Shirley's evening an enchanted one.

Lita Muller gave a friends-and-neighbors luncheon on Foothill not so long ago, just as a nice thing to do. Enjoying her tasty buffet were Helen Baumgartner, Leona Lombardi, Marge Johnson, Mabs Guz, Norma Want, Ruth Jones, Darlene Brand, Frances Dethlefsen, Doris Chichester and Paula Polei. Good food and pleasant conversation make a Very Special Day out of any one in the week.

BAYSHORE PTA PLANS SPELLING MEET WEDNESDAY

Following the executive board meeting of the Bayshore PTA February 25 Mrs. Wayne Liebert, president, outlined the activities for the next two months.

Mrs. Marse Datzman, vice-president, reports she has four parents to compete with four pupils of the seventh and eighth grade of Bayshore school in an old fashioned spelling bee, as part of the program of the regular monthly meeting on Wednesday, March 9.

Parents competing will be: Martine Schlueter, Howard Knight, Mrs. Raymond Kester and Mrs. Marse Datzman. Children of the seventh grade are: Tina and Donald Sparks, eighth grade pupils will be: Marijean Stephens and Steve Bond.

Free movies will be shown to the Bayshore and Midway Village school children in appreciation of their efforts in the rag drive just completed. The color movie is "Beaver Valley" according to Mrs. E. M. Hanschman, movie chairman. Parents and friends are invited.

Mrs. Wayne Liebert made the announcement that the well-baby conferences have moved to larger quarters in the auditorium of the Midway Village school. Conferences will be held on the second and fourth Thursdays, and Dr. Charles Weill, pediatric physician, will be in charge of the medical division. Miss Avis Frink of the San Mateo county Board of Health, will be in charge of the volunteers from Bayshore PTA in assisting the mothers.

NAVY MOTHERS PLAY BINGO

San Francisco Navy Mothers Club No. 202, will hold its monthly benefit bingo game, Tuesday, at the Joseph E. McGuire Post 1205 VFW. ("The Beach Chalet"). Game starts at 1 p.m. "The Beach Chalet" is situated on Great Highway between Lincoln Way and Fulton street.

All proceeds of the game go directly into the club welfare fund, and are used for welfare work in the Bay Area military hospitals by the Navy Mothers who make monthly visits to the patients, with cookies, cigarettes and magazines.

Ocean View Mothers Complete Luncheon Plans

Final plans for the homemakers luncheon on March 30 will be discussed at the Wednesday, March 9, meeting of the Ocean View Mothers club. On March 30 the luncheon will be held at Ocean View center. An attorney will address the group. A bake sale will follow, according to Mrs. W. K. Ebner, publicity.

"Who Is Neighbor" Vista Grande Topic

The 101 Vista Grande Avenue Christian Church announces that its minister, Howard P. McConnell, will speak at the Sunday morning worship hour on the theme, "Who is my neighbor?" The worship service is at 10:55 o'clock.

Bible school is at 9:30 o'clock with classes for all ages. A nursery is provided for both the Sunday school and worship services. The Sunday evening hours are given over to the youth groups, the Chi-Rho meeting at 5 o'clock and the C.Y.F. at 7:30. Boy Scout 245 meets in Fireside hall each Monday evening with Jim Hatchel as Scoutmaster. Officers of the church meet on Tuesday evening with Everett Allen presiding.

The Thursday evening prepared dinner at 6:30 o'clock is followed by choir rehearsal, Mrs. Bernard Green directing, and a Bible study group. All services are open to the public.

not try the gymnastic classes downtown at the YWCA? Lots of the Village wives and mothers are, so join them, and do something about the size 14 you want and can't get into! If you are not a member, it doesn't cost much to join. Classes are on Tuesday and Thursday mornings.

It's the time of year now when a trip anywhere is beautiful...last week the peninsula country was vivid with wild mustard thrown over everything like a gypsy shawl, embroidered with the pinks and purples and whites of flowering trees, with the Santa Cruz mountains smiling down on the valley like indulgent grandparents. Take a ride and help yourself to a day full of beauty, free for you wherever you look.

Colma PTA Hears Juvenile Officer; Elects Officials

Mrs. M. E. Nofziger introduced guest speaker Tony Lovoi to members of the Colma PTA Tuesday night. Lovoi, assistant chief probation officer of north San Mateo county, informed the group as to the work done by Hillcrest Juvenile hall personnel to help the delinquent.

Stressing that 95 per cent of delinquents are between the ages of 13 to 18, Lovoi stressed parental guidance especially with children attending double and triple sessions at school.

"We must learn why a child does what he does, make him see the problem and help him solve it," the officer explained.

Following reports by officers and chairwomen at the business meeting, officers were elected.

Patient Becomes Local Chiropractor

When Dr. Donald Dickson, 6137 Mission, treated a patient a few years ago, he didn't realize the patient would become a chiropractor and eventually work with him.

On March 1 Dr. Troy Carothers joined Dr. Dickson after completing the required 4480 hours of academic study and passing the state board examiners. Carothers was top honor man in his graduating class from the California college of Chiropractic in Oakland.

Prior to his chiropractic studies, Carothers was special disbursing agent and administrative officer for military sea transportation service of the U. S. Navy for nine years.

Drs. Dickson and Carothers are installing an x-ray and fluoroscopic unit in their health center at the present.

CROCKER-ITES REPORT

Here's the weekly report from students of Crocker school.

The pupils of the fifth grade, room 4, helped with the decoration of the hall this month by contributing pictures that illustrated stories they read.

Last week they had an art lesson under the direction of Mrs. Helen Cordell, art co-ordinator, which they all enjoyed. Mrs. Cordell thought the water colors were excellent. Some of the best paintings were displayed in our school library.

Sixth Grade - Miss C. Clark

Written by John Jungles, student. Our class is making pictures about some stories. Then we write a story about the pictures. We are doing such pictures as Peter Pan, Paul Bunyan and a few Mexican scenes.

We are going to stitch and stencil on burlap and also funny animals. We have two colors of burlap, red and gold.

We are also testing with clay. We are making a lot of figures. We are using glass on the clay and melting it. The first one the glass puffed up and is a lump.

We have just learned a new square dance called Hot Time In the Old Town Tonight. We are also learning Marching Through Georgia.

We have learned to multiply fractions by fractions, whole numbers and mixed numbers. We are also preparing some pictures of the earth, sun, and moon.

MOTHERS CLUB HEAR CHAPLAIN

Monsignor Mathew Connelly, port chaplain of Apostleship of the Sea, will speak on "Churches on the Waterfront," when the St. Michael's mothers' club meets on March 14 at 8 p.m. in the school auditorium.

Mrs. Frank E. Rivers, member, will give a short talk on the patron of the month, St. Brigid.

HOME FROM HOSPITAL

Mrs. Robert Young, 114 Valley street, has returned to her home after a two-week stay in Mary's Help hospital.

Although still under doctor's care, Mrs. Young is reported improving rapidly.

OFFICERS

New officers are: the Mesdames Marvin E. Nofziger, president; Gino Marchetti, vice-president; Miss Marie Traynor, honorary vice-president; the Mesdames John Bricker, recording secretary; Frank Sullivan, corresponding secretary; Charles Crabb, treasurer; and Adolph Silvestri, historian. Mrs. William Leshar was voted auditor.

Those elected delegates to the March 17 convention of the 17th district are: the Mesdames Marchetti, Andrew Castle, Sullivan, Nofziger, Joseph Doyle and Silvestri. Alternates are: the Mesdames Edward Dennis, Sanford Vickers, Leshar, W. J. Swartfager, Bricker and William Bowler.

The first grade class of Mrs. William Klaisner won the \$5 yearly attendance prize. Mrs. Joseph Ferreira's fourth graders won the PTA pennant for March 1 attendance.

Mrs. Hazel Colwell, principal, was given the R. S. Thornton PTA attendance pennant for a keepsake, in addition to an autograph book. Mrs. Colwell is a charter member of the Colma PTA and will soon be with the Colma school at Market and Hillside.

Plans are now being formulated for the installation dinner in April. The next meeting of the executive board will be held on Tuesday.

The Sewing and Sunshine group meets Thursday, March 10 at 1 p.m. at the Marchetti home, 62 W. Molke street. Members not yet contacted are to call Plaza 5-2837. Refreshments are 25c.

BEAUTY EXPERT DEMONSTRATES

Mary Adams, West Coast representative of L'Oreal of Paris, will demonstrate the hair coloring at the Victoria Beauty Salon Tuesday.

Mrs. Marie Ferrando, owner, invites everyone to attend. Models for the demonstration will be modeled by local citizens. Miss Adams will begin showing hair tints, dyes, and rinses at 9:30 a.m.

Latest addition to the new salon is Joseph, a hair stylist. He is skilled in the recent and most flattering coiffures. The new salon is located at 42 San Pedro road in Colma.

News From Here & There

By Eleanor Doyle

HI FOLKS!
What's new? Do hope you'll let me visit with you each week so that I may bring you all the local news. Remember this is your column too, so let's keep the news rolling in. Please phone PL 5-5419 and give me the neighborhood activities.

Now for our local chatter! Belated birthday wishes to PAULINE WALL on Abbott avenue and DORIS OLMANSON of Bismark street. Better late than never.

Also our best wishes to JUDITH WILLOUGHBY who celebrated her tenth birthday February 19. Ten guests helped her celebrate and a good time was had by all.

Glad to hear that Mrs. Frank Sullivan of 150 School street is on the road to recovery after a serious illness. Your many friends have missed you and hope you keep up the good work towards a speedy recovery.

Remember RICHARD HICKS of Abbott avenue who was stricken with polio last year? He is now in the U. S. Marine Corps and at present stationed in San Diego. Good Luck, Dick, from your many friends.

The GINO MARCHETTI'S and daughter of 62 W. Moltke have just returned from a weekend visit with Mr. Marchetti's family in Madera, California.

The OWEN MacNEALY'S and two daughters of 173 Abbott avenue were also away for the week-end visiting his family in Auburn, California. While there, they enjoyed visits to Grass Valley and Donner Summit. All had a wonderful time.

Some of the girls in THE FRIENDLY NEIGHBORS CLUB of Abbott avenue have formed a bowling team and once a week you will find them at the Sports Center knocking the pins over. Sounds like lots of fun.

Getting anxious to move into their new home in Sunshine Gardens?

dens are the ANGELO TUVOS of 142 Werner avenue. They'll be missed by their many friends but have promised to keep in touch with us. Good luck to you in your new home.

The Girl Scouts annual Dad-Daughter "BOX SUPPER" was held at the Colma school in the Multi-Purpose Room last Saturday, February 26. Approximately 100 attended the gala event and the door prize was won by Mr. Andrew Cardes of 261 Abbott avenue who has two daughters in Troop No. 210.

Congratulations to MRS. CHARLES MICELI of 336 Abbott avenue who was the lucky winner of the Jackpot at the Serra Theater February 16.

The ALFONSO GARCIAS of Wyandotte street have sold their house and are moving to Rollingwood. They are looking forward to their larger home with more room for the three children to romp and play. Good luck and we'll all miss you.

Our busy Mrs. George Bertucci, when not working in the Bouquet Florist Shop, in her spare time can be found working in the Victoria Beauty Salon on San Pedro road. Also president of the Colma PTA and quite active in Y.L.I. affairs. What a busy, busy girl.

Congratulations to MRS. ANDREW CASTLE of Abbott avenue who now has her own Girl Scout Intermediate Troop. Mrs. Castle is also quite active in the Colma PTA and local chairman for the Cancer Drive. Always available for a worthy cause.

LAST MINUTE NEWS!
Don't forget our GIRL SCOUTS' cookie sale starting March 4th. Remember this is a worthy cause, so let's co-operate.

That's all for now neighbors, but don't forget to phone PL 5-5419 with your news. Hoping this is just the beginning of a successful column of "News From Here and There."

LUTHERAN CHURCH TO HOLD LENT OBSERVANCE

Hope Lutheran church, conducting its services temporarily in the Broadmoor Community Center, announces that the second in the series of six midweek devotions was held Wednesday at 7 p.m.

The brief order of the vesper service includes some of the treasures of Lenten hymns and music, prayers, and a brief meditation by the Reverend Louis C. Marting. The series of the pastor's meditation are based on "Questions From The Passion Story." The Ash Wednesday meditation last week was based on Christ's question to his disciples, "Could Ye Not Watch With Me One Hour?" The question is an encouragement to watchfulness and prayer.

The second question, discussed Wednesday, is addressed by Christ to Judas and his followers, "Whom Seek Ye?" It is a question that might well be addressed to many today who seek the comfort of religion without Christ.

These Lenten services are held on Wednesday of each week during the season of Lent. Everyone is invited to share in these soul-strengthening devotions.

Building Program
It was announced this week by the building committee of Hope Lutheran church that the architect's drawings and specifications of the new church and administration unit of Hope Lutheran church have been completed.

Final preparations are being made on the financing of the church. The chairman of the building committee, Dale Williams, 299 Bel Mar, announced that the committee would begin to plan for the groundbreaking ceremony to be held later this month. The other members of the committee are Alvin Richter, 332 Northgate, and Warren Jensen, 4 Westlawn.

The master building program includes a modern church seating

NO PLACE FOR A BATH — Raw sewage pond is formed at Westlake park site after heavy truck run over and broke pipeline. The un-sanitary condition was reported by Hartley Appleton, 1 El Portal way, whose seven year old son fell in the

sewage pit last week. Shortly after this picture was taken inspector from North San Mateo County Sanitation district was on scene. The pond was channeled out so effluent would flow direct to ocean outfall. Sanitation district directors said this

week it would cost \$300 to replace the broken pipe. Unless the condition becomes aggravated, directors will not install new pipe, since the \$20,000 pumping apparatus and sewage plant will be in operation in two or three months.

DAVITON-WALSH WED AT LAKESIDE

Honeymooning in Palm Springs were Mr. and Mrs. Frank E. Walsh following wedding ceremonies at the Little Chapel of Lakeside.

Mrs. Walsh, the former Jone Daviton, is a senior at San Francisco State college and a member of Kappa Theta sorority. Walsh, also a SFS senior, is affiliated with Delta Phi Gamma.

The bride is the daughter of Mr. and Mrs. J. Daviton, 86 Wilshire avenue. The bridegroom is the son of Mr. and Mrs. J. Walsh of San Francisco.

Carrying white orchids on a white prayer book, the bride wore a French import white chantilly lace sprayed with pearls. The gown was composed of multi-circular skirts of nylon tulle over taffeta. A shoulder-length imported veil and a coronet of chantilly lace

completed the bridal dress.

JONE DAVITON was united in marriage to Frank E. Walsh in the Little Chapel of Lakeside

recently. The bride's parents reside at 86 Wilshire avenue. The couple are seniors at San Francisco State college.

SENIOR NAMED TO NATION CONTEST

Cherie Burdette, 142 Calaveras drive, Vallemar, has been named the Homemaker of Tomorrow in Jefferson Union high school.

She received the highest score in a written examination which tested the homemaker aptitude of the senior girls in her graduating class. She will receive a golden award pin, cook books for herself and her school, and she will be entered in competition to name this state's candidate for the title of Betty Crocker American Homemaker of Tomorrow.

The national winner in this search conducted among 187,463 young women in 8,040 of the nation's public, private and parochial high schools will be named April 21 at an American table fete in Philadelphia.

California's representative in the national finals will be chosen from 252 school winners in the state. A total of 13,434 California girls participated in this program sponsored by General Mills to assist schools in building in young women a deeper appreciation and understanding of the American home and the personal qualities necessary to successful homemaking.

A scholarship of \$1,500 will be awarded each state winner, and she will receive a trip with her school advisor to Washington, D.C.

colonial Williamsburg, Va., and Philadelphia. Her school will receive a set of the Encyclopedia Britannica.

The scholarship of the young woman named All-American Homemaker of Tomorrow will be increased to \$5,000.

The 50-minute written test designed by science research associates of Chicago, which was given to all participants in this national search, consisted of multiple choice and subjective questions which tested the students' attitude and knowledge in the major areas of homemaking.

Training Courses For Scout Leaders

On five consecutive Tuesday nights, from 7:30 to 9:30, beginning March 8, Boy Scout and Cub Scout Leaders will attend special Training Courses in the South San Francisco High School, 400 "B" street, just off El Camino Real and Orange avenue. Chosen for Tuesday, March 8, are subjects "Fundamentals" for Cubbers, and "Patrol and Troop Meetings" for Scouters. The committee on training has chosen subjects for all five nights that will be especially helpful for leaders of Units.

Sea Explorer Personnel
A training program and examination to qualify Sea Explorer personnel for a United States Coast Guard motor boat operator's license, is being offered at the International Airport on Saturday, March 5, from 1 to 5 p.m., and Saturday, March 12, from 9 a.m. to 5 p.m. Lunch will be provided on March 12.

Purpose of the course is to promote safety at sea and to enable leaders to meet the Council Health and Safety requirements, and all adults in the Sea Explorer Units in Charge of power floating equipment are asked to participate. Instruction will be headed up by Coast Guard Captain Stanley J. Woyciehowsky, advisor of the Explorer crew in Troop 12, San Mateo. The course is open to all adults in the Sea Explorers, who will be in charge of power floating equipment.

SEA EXPLORERS TAKE MOTOR BOAT EXAMS

Sea Explorer personnel of the Boy Scouts of America, San Mateo area council, are scheduled for a training program and examination to qualify for the U. S. Coast Guard Motor Boat operator's license on the next two Saturdays, March 5 and 12, at the Coast Guard Air Station, International Airport.

This program is being held in cooperation with the Coast Guard for the dual purpose of promoting safety at sea, plus meeting Council health and safety requirements. Instruction will be headed up by Coast Guard Captain Stanley J. Woyciehowsky, advisor of the Explorer crew in Troop 12, San Mateo. The course is open to all adults in the Sea Explorers, who will be in charge of power floating equipment.

Mission Office Serves Social Security Claims

The Social Security administration today announced a change in the areas served by the two social security district offices in San Francisco.

Residents and business people in postal zones 14 and 27 should now use the office at 2747 Mission street to file claims, obtain social security cards, or for other social security business. These zones, formerly served by the civic center district office cover most of the Mission, Twin Peaks, Stonestown, St. Francis Woods, Ingleside, Lake Merced and Park Merced areas.

The district office of 2747 Mission street, opened four months ago, now serves Postal Zones 7, 10, 12, 14, 24, 27 of San Francisco, and Daly City, Colma, South San Francisco, Brisbane, International Airport and Sharp Park. The civic center district office, located in Room 169 of the Federal office building, serves all other postal zones in San Francisco and Marin county.

LOSE YOUR TEMPER, LOSE YOUR LIFE

If you lose your temper while driving you may very well lose your life.

Driving on today's crowded and bustling highways can be a very trying experience at times, points out the Public Safety Department of the National Automobile Club. There are always drivers around who will come dashing out from the side of the road without giving any warning at all, who will drive down the middle of the road at a pace much slower than that of the traffic, or will dart and dash from lane to lane, almost taking part of your front fender with them as they go.

Confronted by things like that and inclined to be a little on the temperamental side, you are apt to lose your head, give way to temper tantrums. When you do that, then you utter strange curses under your breath, push down hard on the accelerator, and proceed to "show that other guy" by outdoing him in his darting and dashing, in his wild and reckless ways.

Losing your head, however, is quite often the preliminary to losing your life. Keep your head in traffic, and you will have a much better chance of keeping your life.

Jeffs Down SSF In Wind-up

Jefferson High school closed an otherwise lackluster basketball season on a happy note Friday night as the two local clubs bested a pair of arch rival South San Francisco teams at the Warrior gym.

The Daly City varsity had to weather two overtime periods to claim a 50-48 victory. The win gave the Indians a final league mark of 6-6, for third place in the PAL. Overall season record for the locals was 12-13, not quite .500 per cent.

Al Figone had 16 to top Jeff scoring for the night. Stan Freeman, on five field goals, and Babe Anguillo, hitting three field goals and four charities, had 10 apiece. The Jeff lightweights didn't have to sweat, lambasting the South City 30s, 43-26, as Coach Tony Giammona threw an even dozen Indians into the fray. Seven Jeff players got in the scoring column. Larry Pottenger's 13 points was high for the locals, followed by Delmar Scott, nine, Bill Curtis, eight, and Larry Kennedy, seven. Of Scott's total, seven points were garnered at the free throw line.

The victory was the eighth in league play for the little Indians, against four losses. This mark was good enough for third place.

Varsity tutor Mike Orlich has his club in Oroville today for the Acker tournament, which will wrap up 1955 basketball activities for the local high school.

Sarto Nips Gigli for 2nd In Rec Play

The Recreation Department's Adult Basketball league treated the fans to an exciting spectacle last week when the talent laden Sarto A.C. edged Gigli Plumbing, 62-60, in an overtime thriller. The game, a playoff to determine the second place awards winner, provided a fitting climax to a highly successful season.

Early in the opening period the Sartomen ran up an overwhelming 13-2 lead, but Jim Hanford, Gigli forward, pumped in four twenty footers in a row to narrow the gap. With Hanford and manager Jimmy Wong leading the way, Gigli's continued to hit; and eventually found themselves in command, 33-26, when the half time buzzer sounded.

The Sarto club found the range once more after the intermission and pushed ahead, 46-40. Tom Costello's long sets were responsible for most of the damage. Trading basket for basket both teams refused to give ground until Hanford meshed three from the corner to tie the score. With two minutes to play Jack Williamson tossed in a jump shot, giving Sartos a two point buge. The amazing Mr. Hanford retaliated immediately with his twelfth field goal of the night to knot it up once more. Both teams remained deadlocked when the buzzer ending regulation play sounded a few seconds later. In the overtime period Wayne Lovelace and Jack Dettmer hit a field goal apiece for Sartos. When Gigli's Jimmy Wong layed one up with less than a minute remaining the plumbers found themselves behind by two points. Sarto, attempting to stall out the clock, lost the ball with only 20 seconds left but Wong's shot went wide into the hands of Williamson, who controlled till the final buzzer.

Costello's 16 points were high for the winners while Hanford's 25 was tops for the evening.

Two Hardball Clubs See Action Sunday

Westlake Homes and Flying Chicken meet at Marchbanks park Sunday, beginning at 2 p.m. in independent baseball play.

In another independent game, Daly City's Cherolis Nursery face the Bucaneros, beginning at 11:30 a.m. Sunday at Nealon field.

SECOND ANNUAL FARM CAGE LEAGUE STARTS

The second Annual Farm Basketball league got off to a roaring start last week as Sharp Park scored an impressive 24-16 victory over a game but out-manned Bayshore five.

Al Dye, Jeff High's 110 star, put on a one-man show for Sharp's. His three fields goals in the first quarter provided Sharp's with a slim 7-6 lead at the end of the first quarter. Jim Letzman set shot and Dick Scatena's two field goals in close accounted for Bayshore's six. Dye's two field goals in the second quarter were chiefly responsible for the 14-10 lead held by Sharp's at half. Buckets by Paul Cruz and Herbie Dirks brought Bayshore within two points of the victors as the final quarter began. Dye took command of the situation, however, and promptly pumped in a pair of field goals. Bayshore's Wayne Lewis came back with two free throws but Skip Rueckert retaliated immediately with a fine jump shot to sew up the ball game.

Lincoln Stops Center
The powerful Lincoln Lakers, led by captain Mike Cinti and big John Farley, opened up in the second half to turn back the hustling Daly City Dribblers, 30-21.

Actually the game was much closer behind the score indicates. Behind, 12-8, at half the Dribbler five closed the gap to one point on the fine set shooting of Bob Riley. Threatened with defeat, the Lakers turned on the heat as Cinti hit a pair of jump shots and Farley got a tip in. Fighting to stay in the ball game the Dribblers Donnie Miller scored on a drive in, but when Gary Gallie and Cinti paired field goals it was all over. Lincoln's Larry Pucket hit a couple

of insurance baskets just before the buzzer. The Lakers, on the strength of the Dribbler win, must definitely be considered a strong title threat.

Marchbanks Finish Strong
The strong Marchbank Argonauts scored 16 points in a wild last quarter to down a talented Community Center quintet in the second game of a thrill packed double header. The Community Center started fast with buckets by Ron Poston, Joe Murphy, Vern Walligora, and Sam Kazy, to go ahead 9-6 at the end of the first quarter. Marchbank roared back in the next period when Bob Phillips and Al Long each hit a pair of drive-ins. Argonaut guard Andy Ruelas followed with three successive charities to pull the Marchbank team to within a point of the center at half. Ruelas, who was high for the evening with 14, accounted for all the Argonaut scoring in the third period as he pumped in two twenty footers over the center zone defense while adding three free throws for good measure. The Center managed to gain a 24-24 tie, on Walligora's jump shot and free throw just before the quarter ended. With everything evened at the start of the final period Marchbanks Bob Phillips, former Jeff Hi 20s star, took command, scoring three field goals on three attempts. George McNutt kept the Argonaut onslaught going with a pair of rebound baskets and a set from the side. The Community Center hustlers came fighting back on Joe Murphy's set and Sam Kazy's two one-handers, but the Marchbank club was too far ahead to catch. Final score: Marchbank 41, Community Center 35.

Westlake Rips Brisbane In Rec League Wind-up; Playoffs Start Saturday

With Steve Opperman and Ross Holmgren exploding for 24 and 21 points, respectively, Westlake Globetrotters crushed Brisbane, 57-17, in the wind-up of Daly City Recreation Basketball league competition Saturday at community center.

The contest was never in doubt, with Westlake leading at the quarter mark, 11-4, and at halftime, 25-11.

The Trotters continued to press and while Opperman and Holmgren were on their respective bucket spees, they were ably supported by some great rebound work in the persons of Pete Garcia, Ernie Howren, and Bill Kett.

While working nicely off the boards, Garcia still managed to hit four field goals for eight points. Two of these came on hook shots from both sides of the boards. John Galton, Brisbane's league leading scorer, managed to shake loose from Garcia for three field goals and three free throws for nine points, and finish out the season with a remarkable 111 points, to lead all scorers.

Garcia held Galton scoreless from the second quarter to the end of the game. Scoring outbursts by Holmgren and Opperman gave them second and third, respectively, in league scoring.

Rebels Triumph
The league leading Colma Rebels managed to hold off a very good Sharp Park five, winning 25-23. Both clubs worked smoothly and the contest was in doubt throughout regular play. Colma lead at the end of the first quarter, 17-11, and maintained that same lead at the half, both clubs failing to score in the second quarter. Colma managed to hold the edge throughout the game, though it was always slim. The third quarter ended, 20-15, Rebels' advantage. The fourth quarter found Sharp Park applying a back court press and outscoring Colma, 8-5, but the Rebels still walked off with the victory. Points were evenly distributed as follows for the Rebels: Larry Schoenfeldt, eight; John Featherstone and Don Burley, six apiece; and Ron Kalinin, who played a very good floor game, five. Henry Caldwell, who recently graduated from the "B" league, led Sharp Park with eight points, while Dave Simmons gathered seven, and Shook and Twitty had four son play by defeating a very determined Broadmoor Royals five, 30-29. The score repeatedly changed hands and neither club led by more than two points at any one time. Bill Whalen gathered in 16 points to take the individual scoring crown with a total of 113

points. The halftime score was 17 to 15 in favor of Broadmoor, after a 9-8 first quarter ending. OLPH gained a tie in the third quarter and finally outscored the Royals, 9-8, in the final quarter for the victory.

The Sharp Park Juniors upset Holy Angels in an overtime, 16-14.

The score was deadlocked at the conclusion of regular play, 12 all. From here Holy Angels scored first when La Mori hit a field goal, but Sharp Park came back into contention when Miller again tied up the game with a nice twenty footer. He scored again a few moments later when he was fouled and Kopic added the final points on another foul committed by Holy Angels. Joe Uccelli led Holy Angels with six points, while Downey, Perata, and Lamori and McDonald had two apiece. For Sharp Park it was Lasker with seven, Stewart with five, Miller with 3, and Kopic with the clinching two points.

MAT ELIMINATIONS OPEN AT JEFF HIGH

Wrestling tournament eliminations at Jeff High school will be held Monday and Tuesday, followed by the school finals on Wednesday, Mat Coach Joe McGrath said today.

Forty youngsters are taking part in the intra-mural sport. In fact, interest has been so keen that McGrath is thinking of entering a grappling team in league competition next year.

At the wind-up of wrestling finals, boxing tourney eliminations will be held, with March 24 set for the ring finals. The March 24 event is presented by the Block J society.

JEFF FROSH-SOPH BLANK BALBOA NINE

Jefferson frosh-soph baseballers blanked Balboa, 6-0, last weekend as Paul Tapia and Ed Leveroni combined to hold the Bucs to four hits.

Leveroni worked five frames, allowing only a single safety. Tapia gave up three hits in his stint on the mound.

Hitting were Leveroni, Mike Wedlake and Bob Berry, two singles each. Jim Wilson, a single, and Bob Nunes, a double. The Indians tallied once in the second inning, three times in the fifth and one each in the sixth and seventh frames.

That's My Point

A TIGER BY THE NAME OF DETROIT

Bill Herschel, the one-time used auto salesman of Daly City's auto row and more recently proprietor of a cleaning business at Market and Hillside, has now ventured off on another tangent and got himself a tiger by the name of Detroit. He is Detroit Benson (that first name is for real), a 25-year-old, 210 pound amateur boxer who has won 109 of his 124 simon pure fights, 67 of these by knockouts, and whom Bill describes as a "beautiful beast."

That Herschel would enter the fight managing field is not unusual, because he recently took over as chief d' operations in his Hillside cleaning plant, although he had never pressed a pair of pants or spotted a skirt in his life. Funny part of it is, he says business is booming.

Success gets us back to Benson. Herschel is going to put his gladiator in the March 17 Golden Gloves bouts at the DC center. If he wins he'll go on to the eliminations March 24 in San Francisco. "If he's good enough we'll turn him pro," says Herschel. After 124 fights he ought to know, but Benson has never fought on the West Coast and has been out of action for the past year.

All the OLPH fans probably know Bill Herschel by his vociferous ring-side entreaties to the combatants participating in recent shows. Just imagine the noise when he gets his own boy in the ring March 17.

AUDACITY OF IT ALL

It's usually the sports writers who are calling down the coaches for everything ranging from strategem to the color of their bow ties.

In a turnabout bit of action this week in the WESTLAKE TIMES, companion publication of this newspaper, Mayor-Coach Joe Verducci (who writes a sports column) sternly warned this writer not to "steal" any of his stuff.

This guy Verducci is not only athletic director and head football coach at SFS and titular head of the city of Daly City, but now he wants to muscle in on the sports writers. It just doesn't seem right.

A PARAGON OF PUBLICITY

Verducci not only does a little scribbling on his own, but he has probably the most fabulous sports "public relations" (a term of ex-

Creighton, Vuillmainroy Hex Lincoln; Practice Game Mark Stands At 3-1

Lowell Creighton and Ray Vuillmainroy came back to haunt Lincoln Friday and helped the Jefferson Indians humiliate the San Franciscans, 11-2.

Just seven days earlier Creighton had pitched and Vuillmainroy homered the Daly City club to a 7-2 victory over Lincoln. Last Friday it was a repeat performance. Creighton was just as stingy, giving up only five hits, walking one and whiffing eight batters. He stretched his strikeout record to 17 in 14 innings.

Vuillmainroy, with the bags loaded in the seventh inning, whammed a homer. The previous week Vuillmainroy got a four-bagger with two men on against the same Lincoln team.

Bob Queen and Creighton both doubled for the Jeffs. The Indians picked up a total of nine hits and made only one miscue. Catching of John Murphy, converted outfielder, was lauded by Coach Lou Martin.

Tuesday the Jeffs edged Mission, 7-5, in an extra-inning contest, as Bob Gaggero poled the ball 430 feet with one man on to break up the game in the eighth.

Tex Prentice tossed for the Indians until the seventh inning, when he was replaced by pinch-

hitter Vuillmainroy. Prentice allowed only seven hits but was as wild as the March wind, giving up eight free passes.

Jeff picked up a total of nine hits. Centerfielder Rich Guisti led the way, banging three for four, one a triple. Backstop Murphy got two in four attempts.

With a healthy 3-1 mark in practice outings, the Daly City nine travels to Ocean View park this afternoon (Friday) to do battle with another AAA club, Balboa, starting at 3:15 p.m. Tuesday finds Jeff in the host role, entertaining the visiting Galileo baseballers at the home diamond.

Regular PAL play has been postponed two weeks because of the withdrawal of Half Moon Bay from the league. Instead of opening peninsula play March 18 against

aggregated dignity in this case), man in the person of Frank "Bow-Tie" Walsh.

Frank, who to William Randolph Hearst's singular envy, will soon barnstorm Russia with an amateur basketball team, is the epitome of publicity genius.

One time he confided to this writer a stunt he had prepared to increase attendance at a '54 football contest at the SFS stadium. Frank was going to borrow some gold nuggets, imbed them in the playing field and then have a couple of the beefy gridders accidentally stumble on to them during practice. "Bow-Tie" could envision the crowds mobbing Cox field to get at the big bonanza. SFS would just happen to have a football game going on at the time and the event would be prosperous beyond dreams.

Unfortunately, the college president also had some visions—he could feature Cox field being over-run with '49er type characters bearing picks and shovels and leaving little to admire of the green sod. Frank's astute bit of pressagentry was by-passed for the more and conventional drum-beating.

BACK TO THE BLUE COAT

Daly City cop Art Linhares, unsuccessful last weekend in the SF City Open golf play, is still pushing a cart around this week, but it doesn't carry a bag of clubs. Art's on the parking meter detail and has to caddy around the money wagon.

Burlingame, the Indians will make their league debut about April 1, according to Martin.

Mentor Martin is not unduly excited about this delay, since it will give him opportunity to work the basketball players into the line-up. Cagers Al Figone, Stan Freeman, Jim Honeywell, Rich Watson and Bill Storch, with only the Oroville Acker tournament this week separating them from the spiked shoes, are all expected to bolster Martin's line-up.

Bad Day For DC Favorite Golfing Sons

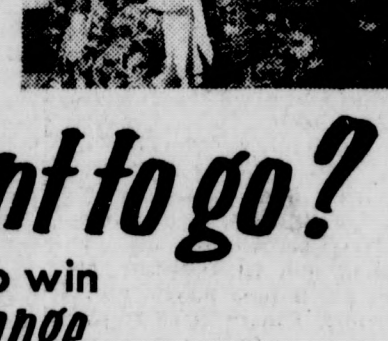

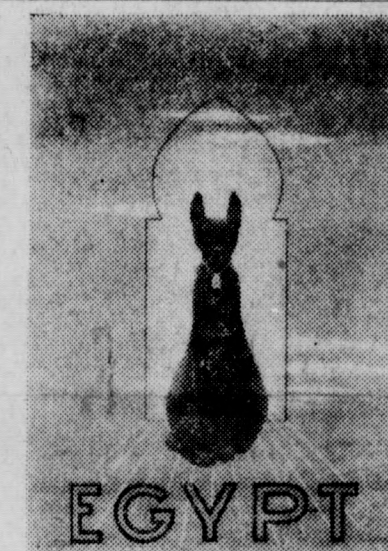

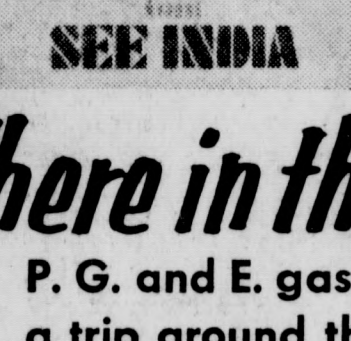

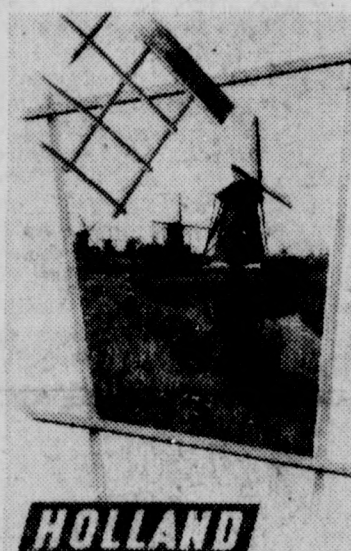

Daly City's favorite golfing sons, Bob Silvestri and Art Linhares, had a long, gloomy ride home from Harding park Sunday afternoon.

Both strong contenders for the San Francisco city golf championship, the well-known Daly City stickers were eliminated within a few hours of each other, after qualifying a few days earlier among the top ten.

Silvestri, '52 state amateur champ, was downed by Fred Corvi, an airport limousine driver. Silvestri evened the match on the 14th hole, lost the 15th and 16th and was eliminated as Corvi parred the 17th for a halve.

Linhares, a Daly City cop, had his hopes dashed by Sharp Park's little Lido Landi.

Ladi trailed Linhares for 11 holes, pulled up even at 15 and won on the last hole with a par as Linhares botched a five-foot putt.
